This tenant guide has been created to answer as many questions as possible and help you be well prepared for the exciting process ahead of you.

For us to identify properties suited to you, we will ask you detailed questions. Remember, the more information you can give us, the easier it is for us to match you with a property!

To be eligible to apply for a property, you will need to meet at least one of these requirements:

- Have an income of 30x your rental budget
- Have a guarantor*
- Be able to pay 6 or 12 months' rent up front

Our latest properties are listed on our preferred property search websites and our own website www.haart.co.uk

We are committed to helping you find your ideal home and have **your best interests in mind**

When choosing an agent...

Look for the safeagent Kitemark; your money will be 100% protected.

Using an agent with membership of a professional body such as ARLA Propertymark, safeagent or The Property Ombudsman (TPO); certain standards of practice will be in place and you will have access to an independent complaints procedure.

Check that your deposit will be protected by a government authorised Tenancy Deposit Protection scheme.

Some of our properties offer deposit-free renting through our partner *flatfair* ask your letting agent for more information.

*If your income is not 30x your monthly rental budget, you may be asked to provide a guarantor for your tenancy. A guarantor will be asked to make rental payments on your behalf if you fail to make payment of your rent. Any guarantor would need to have an income of 30x your rental budget and would be required to complete a full reference.

When viewing...

Try to view with everyone in your moving party. Properties will not always be available for a second viewing.

For properties newly advertised, be ready to view straight away and act quickly if you are interested. Properties new to the market are in high demand and often rent within days.

Making an offer

When you make an offer it will be put forward to the landlord.

If your offer is accepted, you will need to provide:

- A holding deposit equivalent to one weeks' rent (by debit/credit card only)
- Photographic identification for each applicant (e.g. driving license, passport)
- Proof of address for each applicant (ideally a utility bill no older than 3 months; for other accepted documents, please ask)

- Your last 3 years address history
- Your employment details
- (If self-employed) Have accounts/ accountant details ready
- Your current landlord details (if applicable)
- Your UK bank account details
- Encourage your referees to respond swiftly

When referencing is underway, we will send both tenant and landlord a 'Subject to Contract' document stating the details of the contract including any requirements/agreements made. If anything is missing, inform us straight away.

If all references are deemed satisfactory then we will create a tenancy agreement.

If there is any problem with the references, we'll let you know straight away and advise you of your options.

When applying...

Be prepared to pay a holding deposit.

Be prepared for the paperwork and have the required documents ready.

Be prepared to be referenced and inform your employer and most recent landlord that they will be contacted.

Make sure you clearly state any requirements as a part of your application.

When you've found a property that you like, it's time to make an offer. **haart will be there to walk you through the process**

Helping you in your new home

Security deposits – an alternative.

We know that sourcing a large amount of money for a security deposit can be a worry. Our partners at *flatfair* offer a simple solution, the *flatfair* membership. The *flatbond* is the simple, affordable and secure alternative to tenancy deposits. Instead of paying a large tenancy deposit you can now choose a *flatbond* instead and pay a non-refundable one-off charge of 28% of the first month's rent (plus VAT).

How does *flatfair* work?

It's very simple! You sign-up for your *flatfair* membership online, pay a one-off charge of 28% of the first month's rent (plus VAT) and that's it. Under the *flatfair* membership you remain liable to pay for any damages at the property just like with a regular deposit. However, unlike a regular deposit, you don't need to pay upfront, you simply pay for any damages caused at the end of your tenancy.

Please note, *flatfair* membership can only be offered if your landlord agrees, for more information please speak to one of our associates or check out www.flatfair.co.uk

What are the advantages of becoming a *flatfair* member?

No expensive deposit

Pay an affordable membership charge instead of an expensive deposit - split evenly between the household

Healthier finances

Avoid having two lots of money locked away in deposits between tenancies and put your money to better use

Control on-the-go

Manage your membership through our simple platform from any device, 24/7

Pay when you leave

Damages happen. In the case of a lawful claim, simply pay at the end of your tenancy

Keeping it fair

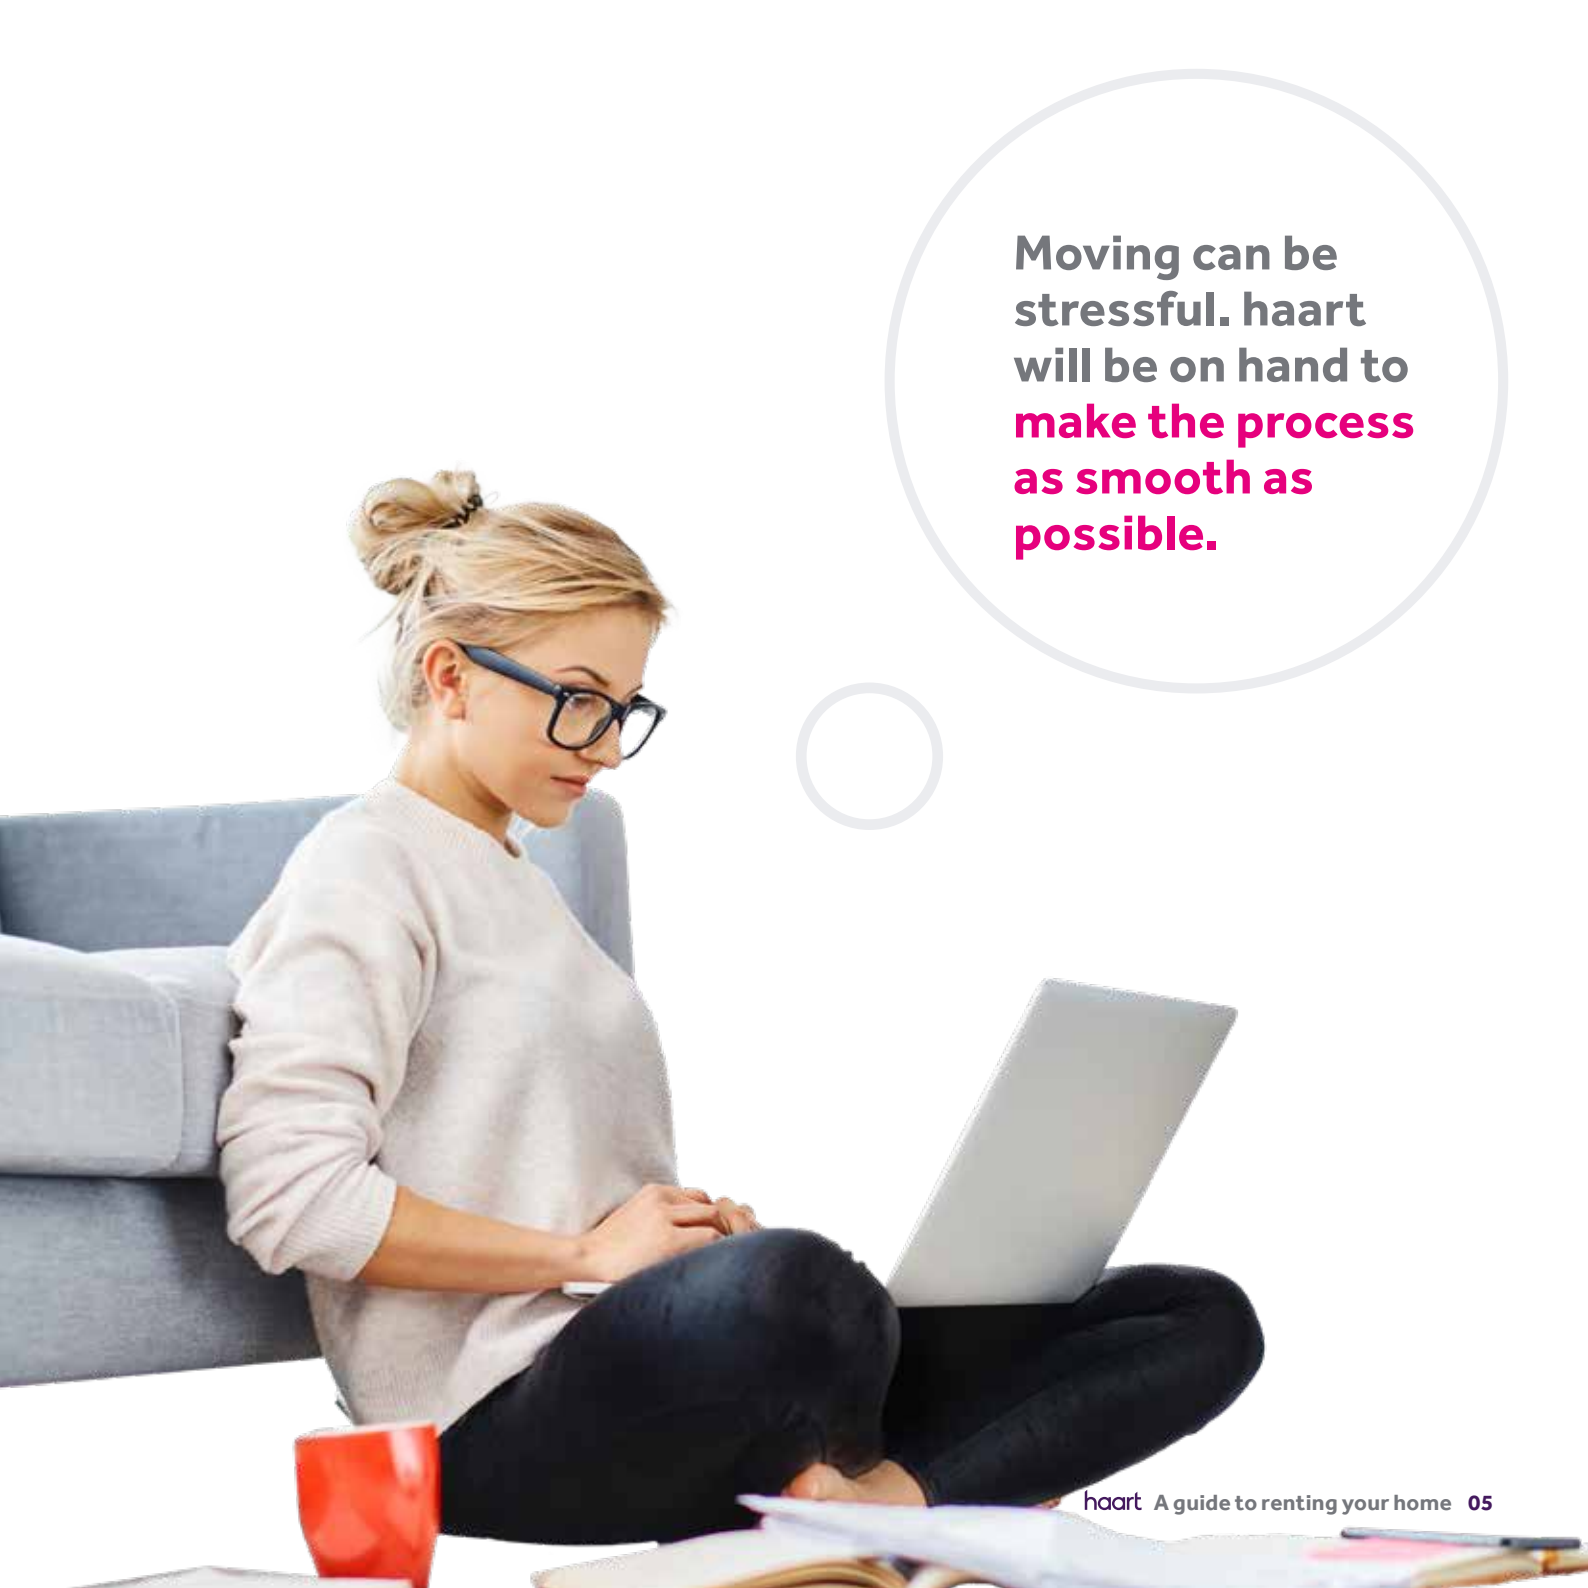

Stay safe from bogus claims through independent dispute resolution - as with the deposit schemes

Build your cred

flatfair rewards tenants who pay their rent on time and care for their rented home
